Pantone 2021 Colors for the Year product picks

Pantone has unveiled its [2021 Colors of the Year](#): Ultimate Gray (Pantone 17-5104) and a bright yellow tone called Illuminating (Pantone 13-0647). The two contrasting tones aim to show how different colors can come together for creative design solutions in and outside the home. To celebrate the announcement, Furniture Today has curated some on-trend product from the home furnishings industry that cover the tonal palette of the shades' gray and yellow spectrums.
