## 8 Rugs by Esteemed Designers That Elevate Any Interior

These innovative rugs are sure to spark conversation. From a handknotted wool rug by Diane von Furstenberg that references Giraffe markings to one that incorporates recycled candy wrappers by Josephine Akvama Hoffmeyer, these floorcoverings prove there are no limits to a designer's imagination.

## Wool, Silk, and Candy Wrappers Are Part of These Rug Designs

### Movement 1 by Lars Myren for [Fayette Studio](#)

Rugs by the LM Design Studio founder are a soulful ode to hue and pattern, all completely customizable in colorway, with variations in pile height that suggest depth and indulgent movement.
